EDUCATION

JAMIA MILLIA ISLAMIA
B-TECH COMPUTER ENGINEERING

November 2021 - August 2025
New Delhi

JAMIA SENIOR SECONDARY SCHOOL
+2(PCM) 91.6%

April 2019 - April 2021
New Delhi

SKILLS

PROGRAMMING LANGUAGES	C/C++, Python, Javascript
LIBRARIES/FRAWORKS	Pandas, Numpy, Matplotlib, Scikit-learn, React, Bootstrap
TOOLS / PLATFORMS	HTML, CSS, Machine Learning, Statistics
DATABASES	SQL, Mongo DB

PROJECTS / OPEN-SOURCE

BLOGGING | [Link](#)

REACT JS, HTML, CSS, BOOTSTRAP

Developed a Blogging website related to the input text or keyword provided by the user. Successfully deployed it on GitHub.

PREDICTING DIABETES | [Link](#)

Pandas, Numpy, Matplotlib, Scikit learn, Python

Made a model using LogisticRegression which has been trained and tested using model_selection module. Converted the dataset into standard value using standardization method. Predicted the tested value which gives an accuracy of 75%.

MARKETING ANALYTICS | [Link](#)

Pandas, Numpy, Matplotlib, Scikit Learn, Python

Build a model which predict the impact of media advertising on sales with linear regression. Predicted the tested value which gives an accurate value.

WINEQUALITY PREDICTION | [Link](#)

Pandas, Numpy, Matplotlib, Scikit Learn, Python

Predicted the quality of wine using DecisionTreeClassifier and pruning the dataset while selecting least ccp_alpha parameter. Standardized the dataset and predicted which gives a score of 54%.

HONORS & AWARDS

- 3 star coder at CodeChef.
- CodeChef Starters 25 Division 3 (Rated) Global Rank: 759
